Educated Guess

EDUCATED GUESS

The Educated Guess Chardonnay is crafted from grapes grown in the prestigious Napa Valley wine districts of Carneros and Oak Knoll. Our Chardonnay was produced in two distinct ways using both traditional barrel fermentation as well as stainless steel fermentation. Our goal is to provide you a delicious crisp Chardonnay that is not the typical over-oaked and heavily weighted style that is so common today. Our Chardonnay showcases delicious ripe pear, melon, and green apple fruit characteristics, while retaining bright acidity and creamy vanilla notes. Created with the philosophy that superb Napa Valley Chardonnay can be affordable, this wine is indistinguishable in quality from its higher-priced Napa Valley competitors.

WHY EDUCATED GUESS?

Have you ever found yourself in a wine shop or restaurant perusing the wines and wondering...how do I choose the best wine for the money? You may admire a label, recognize a name, or recall a great review... in essence you're making an educated guess. This is exactly what goes on in the vineyards and wineries around the world. When should we pick the grapes? How long should we barrel age in French oak? We use our knowledge, intuition and years of experience to make the best possible decisions; however at the end of the day, it still remains an "Educated Guess." At Roots Run Deep Winery we have done the Guesswork for you, and produced the most drinkable and food friendly Chardonnay you can buy for the money!

87 Points! Good Value!

"Lightly citrusy, gently oaked and keyed on fresh, green apples in the nose, this wine surprises by being riper and richer once in the mouth, and its generous flavors deliver more fruity depth than expected. It is slightly supple in feel and nicely balanced, with very good finishing length, and it is an unqualified bargain at the price".

EDUCATED GUESS 2012 NAPA VALLEY CHARDONNAY

This is not your typical Napa Chardonnay. By combining the characteristics that both traditional barrel fermentation and stainless steel ferment provide, we were able to retain the delicious tropical fruit flavors, while also giving the customer what they have come to love in Chardonnay—creamy notes, toast, spice and vanilla without being overdone in any way. “No stick of butter and a 2 x 4 Chardonnay here!” Very food friendly and crowd pleasing!
